

# Side hinged doors

Side hinged doors are pre-framed and come complete with a brass effect Euro profile night latch and deadlock, a pair of door stays, two monkey tail shoot bolts and four anti-drop anchored dog bolt hinges per door leaf. This standard specification represents the highest quality and value combination available – choose a Cardale side hinged door!

A security and draught pack with three point locking for the active leaf and "monkey fur" draft sealing is available as an option – see page to the right. Doors open outwards with the lock on the right when viewed from the outside. Left hand opening is available as an option.
