SIGNATURE COLLECTION | 5 COLOURS AT OUR BEST PRICES

Signature Colours

Our five most popular finishes, offered as standard on every GDO ROLL 77 specification at the lowest prices in the range. Same door, same motors, same controls as the Premium collection.

Anthracite Grey

RAL 7016

The most requested modern grey, a natural match for anthracite uPVC and aluminium windows.

[View in the shop ›](#)

Black

RAL 9005

Deep, bold black for contemporary new builds, black window frames and monochrome schemes.

[View in the shop ›](#)

White

RAL 9016

Clean traffic white that sits neatly alongside white uPVC windows, fascias and front doors.

[View in the shop ›](#)

Chartwell Green

Soft heritage green suited to cottages, period homes and rural settings.

SIGNATURE COLLECTION | CONTINUED

Signature Colours

Agate Grey

RAL 7038

Light, airy grey that softens brick and render without the starkness of white.

Why choose Signature?

- **Best possible prices.** Every Signature model starts from £60 to around £146 less than its Premium equivalent.
- **Identical specification.** The same 77mm insulated curtain, motors and control choices as the Premium range.
- **Popular for a reason.** These five colours match the window, fascia and front door finishes found on most UK homes.
- **Made to measure.** Every door is built to your exact width and height, up to 5200mm wide.

Matching a Signature colour to your home

Anthracite Grey

Grey uPVC or aluminium windows, composite front doors and modern render.

Black

Black window frames, contemporary cladding and white or light grey render.

White

White uPVC windows and fascias, the classic choice for most UK estates.

Chartwell Green

Period cottages, rural barns, painted timber and natural stone.

Agate Grey

Lighter grey windows, pale brick and homes where white feels too stark.
