<b>INSTALLATION OPTIONS</b>				
FITTING	SeceuroGlide Sectional Doors must always be installed by a trained installer and in accordance with the specified fitting criteria (as stated in the installation instructions). The door must always be fitted internally. The guide rails may be installed in the reveal (between the opening) but in this instance must be fitted with special reveal fitting kit.			

All SeceuroGlide Sectional doors come with an Operating & Maintenance manual.

Manufactured by SWS UK, Cloughton, Lancs, LA2 9LA.
